Jet **EAGLE** helmet aluminium

Customised Arai helmets for Moto Morini enthusiasts!
Moto Morini has selected Arai as its technical partner for the design of customised helmets. The model **Jet EAGLE aluminium** is based on the SZ-F model; it is an ARAI Jet helmet for touring use that ensures maximum comfort and safety and passed the strictest penetration tests thanks to the strong and light outer shell in fibreglass and an exclusive shock-absorbing inner shell. Exclusive graphics made for Moto Morini by Roberto Marchionni: the graphic designer of the major riders in the world championship. Each Motor Morini helmet is produced as unique specimen and individually lacquered by hand. The owner can customise his helmet even more by adding his name or nickname or his lucky number etc. 5-year warranty on helmet and lacquer.
